*Granite Detail*

## Lifetime Warranty

All of our windchimes have a Lifetime Warranty. They are handcrafted in Shipshewana, Indiana. Aluminum tubes are powder-coated, and string is polyester UV-treated. As an alternative to wood, recycled plastic milk jugs are used to make chime tops and strikers. Some factors that determine each individual tone include the diameter of the tubes as well as the length and wall thickness. Each windchime has a unique tone and is available **ONLY** in color shown.

## Display Stand

This attractive display stand is constructed of solid oak with aluminum posts. Two levels to display varied sizes of chimes. Stand displays 20-30 chimes, depending on their size.

**#111 Display Stand**  
39" x 39" x 82"

## Chime Engravings

Engravings are available on all chimes and make great gifts. We can engrave names, dates, clipart of your choosing as well as many other items. Allow 1 to 2 weeks.
